

G C Am D G

I will learn to trust in life, just as it is and

G C Am

old defences I've left behind.

D C

Yes I will learn to.....

C D G

I'll open my heart and I'll find my love.

C D G

I'll find my love for you, I'll find my love for me

C D G

And for all that's true and I know, that is my way.

G C Am D G

I have to go forward every day, just do it.

G C Am

Follow my heart and go my way.

D C

Yes, I will do it.....

G C Am D G

Sometimes this way seems to be hard, I can't go another.

G C Am

In touch with all of my heart,

D C

I don't feel alone now
